Luther Manor Continuing Precautions Related to COVID-19

April 15, 2020 7:08 pm

There are still no newly acquired cases of COVID-19 on either of Luther Manor campuses, which is where our energy continues to go. This remains our highest priority. Thank you for all the support and communication you have provided your loved ones and our team of employees. It is so obvious we are one team, keeping our faith and working hard to stay safe, happy and flexible in this new world!

- Thank you to more groups and organizations for Sharing God's love with Luther Manor. In appreciation:
    - Thank you S**t. Jude the Apostle School - 3rd Grade Classes,** taught by Mrs. Malloy and Mrs. Leszczynski and **4th Grade Class** taught by Mrs. Mikec and Mrs. L for the wonderful letters of support for our residents and staff. Here Kathy from Life Enrichment reads letters from Connor and Olivia to Jim and Corrine. When 3rd and 4th graders write this well, our future is bright!

    - Thank you **J. Todd Kloeb, the Global Capacity Planning Manager and Ford Motor Company** for the 500 face shields!

- We are very excited to announce we have a new telehealth program starting tomorrow that will include centralized scheduling and resident rotation. This will make video appointments happen with our residents, their doctors and one of our staff members. In addition to addressing medical conditions remotely, the telehealth visits will enable our residents to speak with their mental health providers, something they have also been missing out on. The only limitation we have in meeting the high demand for these services continues to be our lack of iPads. If you're interested in donating even one iPad, it will positively impact many residents. **Click here** to learn how to donate an iPad, when using this link please check the United Lutheran Program for the Aging circle.

- A reminder to all those who are dropping off items or groceries for your loved ones, please be sure to label the bags so we know who to deliver them to. We are receiving way too many items to "guess" at where they go. Also, please don't overfill them and risk items falling out and not getting delivered. If you need to drop off two bags, that is preferred. Also, tie a knot in the bag so items don't slip around in transit. Thank you as always!

- Joyce, a resident at our River Oaks assisted living facility turned 100 yesterday! We worked with her family and did everything we could to make her feel special. They brought cake, flowers, signs and our staff decorated and everyone sang happy birthday. Joyce's family joined via Zoom on her special day. Yes Joyce, thumbs up, you don't look even close to 100! Must be something about living at Luther Manor, with all of our century club members!
