THE STORY OF THE BUTZER'S

LUTHER MANOR

WINTER 2019

A MESSAGE FROM OUR CEO

Stephanie Chedid
President & CEO

“I wouldn’t want to be anywhere else.”

Success is hearing our residents say just that. Over the past year, we’ve made continued investments in the campus, launched new initiatives for care, celebrated outstanding contributions, and had a good amount of fun. For the third year in a row, resident satisfaction has improved; telling us our hard work is well aligned and making a difference.

In this issue of *Abundant Living*, you’ll find inspiring stories of the community we share at Luther Manor found in the lives of our residents, their families, our staff, volunteers, and our many generous donors. You’ll get to look inside our day-to-day activities, experience celebrations, and see the many faces of those who make Luther Manor so special.

Christmas is the best time to remember the love God shares with us and the joy and privilege we have in sharing it with others. As always, I hope our publication inspires you to step boldly in faith to serve others as we fulfill Luther Manor’s mission together. Thank you for making Luther Manor a priority in your life and have a Merry Christmas!

Stephanie Chedid

BUILDING JOY

THE FAITH & EDUCATION CENTER RENOVATION

Laughter and joy are part of life at Luther Manor.

The mission of Luther Manor, to share God’s love by enriching the lives of older adults, is found in all that we do, and in the physical spaces that surround the laughter and joy of our community.

One project central to our work is the renovation of the Faith & Education Center. Extensive improvements will make the space more inviting, accommodating, and beautiful. Help us build joy and make a gift today!

THE DETAILS BEHIND THE DOLLARS

Donations are making this project possible. A three-phase renovation project is fundraising dependent, and we are happy to report that \$153,000 has been raised toward our goal of \$450,000.

- **Phase 1** - Technology, Lighting & Electrical: \$180,000
- **Phase 2** - Floor, Walls & Ceiling: \$125,000
- **Phase 3** - Finishings: \$95,000
- **Contingency** - \$50,000

RENOVATION UPDATES

Phase 1 of the Faith & Education Center renovation has begun! Walls are being refinished, lighting is being added, and installation of new audio & video equipment including two large projections screens, wall-mounted articulating screens, a new wireless microphone system, new amplifier and speakers, and a one-touch operation control system for ease of use has begun. Phase 1 is expected to be complete in mid-December of 2019.

HOW YOU CAN HELP

Gifts of all sizes are needed. From \$10 to \$25,000 (and more!) your support makes this project possible. To give,

 **Visit luthermanor.org/buildingjoy**

 **Call 414.831.8950**

 **Email give@luthermanor.org**

All donors will be permanently recognized in the Faith & Education Center. Loved ones who are honored and remembered through the generosity of others will also be recognized.

I Wouldn't Want to Be Anywhere Else!

Luther Manor resident Dick Butzer and his wife, Marilyn, lived in the same home for 29 years. They raised their son and daughter there. Over the next 19 years, Dick and Marilyn lived in an apartment complex where more wonderful memories were made. So when the time came to consider making a move to Luther Manor, the decision wasn't easy.

Dick and Marilyn's daughter, Michelle, remembered, "My brother and I were noticing a decline in Mom's health and Dad had to do a lot, physically, to assist my Mom with simple day-to-day activities. Things were not working and something needed to happen."

So, Michelle and her brother decided to

have a sit-down conversation with their parents to share their concerns and to assess how Dick and Marilyn were feeling. Dick recalled, "Our kids saw us getting older and wanted to make sure that we'd be well situated in the future and have the help we needed."

Dick then began noticing Marilyn's health continuing to worsen and realized that it was time to make a change. "Over the course of one weekend, Marilyn fell three times. The last fall put her in the hospital. I knew then that we needed to look at Luther Manor."

Although Dick did not need as much assistance as Marilyn did, they both moved into a suite in Luther Manor's assisted living community. "I was able to live with Marilyn and be her extra caregiver!" Michelle noted, "But he had professional, specialized help. So it wasn't completely on his shoulders like it was when they were living on their own."

After a few years in assisted living, Marilyn's health had reached a point where Luther Manor's hospice program appeared to be the best thing for her. Dick remembered, "They provided hospice right in her room which allowed me to sit at her bedside right up to the very end. Then, after

54 years, 4 months, and 19 days as her husband, she passed away."

"I remember my friend telling me

about her parents living at Luther Manor and how amazing the continuum of care was for them," said Michelle. "They started out living together, too, but when her Dad needed more help, they were still able to be together and get the care they needed. I never forgot that."

Dick and Marilyn's story is similar to that of Michelle's friend's parents. When the Butzers first arrived at Luther Manor, it was determined that Dick needed an aortic valve replacement and rehabilitation to follow. "It was wonderful to have them both in the same place! The caregivers

would take Mom down to his room to visit so they could see each other and enjoy dinner together," said Michelle.

Since Marilyn's passing, Dick has moved into an independent living studio apartment. "I can't ask for more! The people here are wonderful and the activities are great." He went on, "I got introduced to dart ball. I had never played it before, but so far I haven't killed anyone or stuck one in the ceiling, so I guess I'm doing okay!"

Dick and his family appreciate the peace of mind that comes from knowing that he's well taken care of at Luther Manor. "A person can come into Luther Manor and relax knowing that they are cared for and won't have to move out as their care needs increase," Dick said. "Luther Manor has made it so easy for us and I just can't say enough about the place. I wouldn't want to be anywhere else." Dick then paused and corrected himself, "Except in heaven, of course!"

"I can't ask for more! The people here are wonderful and the activities are great."

COME SEE WHAT'S NEW!

Luther Manor continues our work to meet our goal to offer an ideal setting. **Some of the many updates and innovations made in the past six months are highlighted here.**

- The Park Terrace Dining Room was renovated, including new paint, new flooring, and new furniture. Independent Living residents are enjoying the light and airy feel of the new decor!
- The Assisted Living Life Enrichment room has been brightened up with a new coat of "Luther Manor green" paint.
- This summer, Assisted Living dug right in to help transform the landscaping of the courtyard outside the Life Enrichment room into an outdoor oasis.

Schedule a personal tour to see all of our updates! Call 414.464.3880 or email live@luthermanor.org.

THE HEALING PAW-ER OF PETS

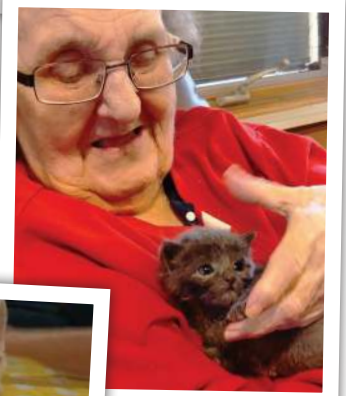

A pair of cats, Muffin and Biscuit, have been visiting Luther Manor's Skilled Nursing residents about once a week since they were tiny kittens. It all started when the duo was rescued by Restorative Nursing Coordinator Ellen Hardaker. The kitties enjoy their visits and the residents enjoy helping to raise them!

When they are here, residents enjoy rocking them to sleep while reminiscing about well-loved pets. They also inspire fun games like listing every song about cats we can think of. The pair has even served as muses for beautiful artwork.

The cuddles and purrs Muffin and Biscuit provide are a heart-warming addition to our normal Life Enrichment activities.

CONNECTING TO HOME

This Fall, Chief Clinical Officer Julie Jolitz and Director of Care Transitions Cathy Lee represented Luther Manor at a training held by Lutheran Services in our nation's capital for Connect-Home Collaborative, an evidence-based transitional care process that empowers seniors and their caregivers to manage seniors' serious illnesses at home, improve function, and prevent avoidable re-hospitalizations. We are ready to implement the new tool and continue to improve our residents' lives!

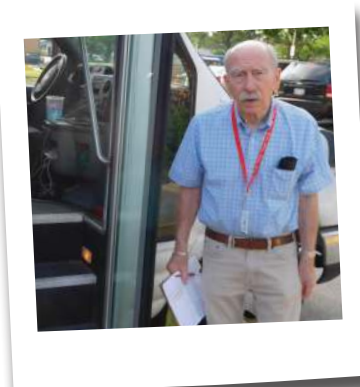

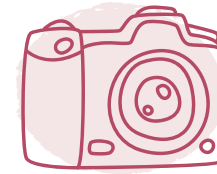

MEANT TO BE A CAREER IN HOSPICE

Hospice Volunteer Coordinator Jennifer Oakes shares her dedication to providing exceptional care and service, and why hospice care is her life's calling.

"There are times in your life when you know you are meant to be where you are...I feel the presence of God in my life here at Luther Manor Hospice and know I am here to serve with purpose, clarity, and heart."

- Jennifer Oakes,
Luther Manor Hospice Volunteer Coordinator

VOLUNTEER SNAPSHOTS

DRIVING MISS DAISY

Dennis Schindler began his Luther Manor volunteer service as a Therapy Transporter and helping with the Men's Club, before serving as an Off Campus Medical Escort. If a family member is unable to accompany their loved one to a medical appointment, he escorts the resident. Dennis enjoys meeting new people and feels privileged to learn their life stories. He is very familiar with many medical offices in the Milwaukee area. Dennis received the Good Samaritan Award in 2018.

A PAWS-ITIVE PARTNERSHIP

Caryn Uebelacker and her Golden Retriever, Bailey, are Luther Manor's newest Pet Partners. They've both participated in Canine Good Citizen and other advanced classes with Health Healers, and successfully completed the Pet Partners Therapy Team training and evaluation when Bailey was only 13 months old! They visit residents on Saturday mornings. Caryn feels that Pet Therapy visits allow people a break from their worries and concerns.

MORE THAN PAINTING NAILS

Student volunteer Catie Malone carefully manicured the nails of many different residents during her tenure at Luther Manor, providing them with colorful and stylish looks. She discovered that her service was much more than varnishing nails, but providing love, company, and understanding to the people she served.

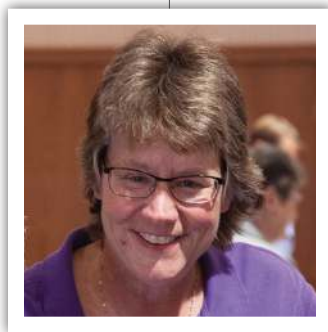

Read an essay Catie wrote about her volunteering experience online at luthermanor.org/why-volunteer-painting-nails/.

MISSION: POSSIBLE

Luther Manor's mission is to "share God's love by enriching the lives of older adults." Here are stories highlighting several incredible people who make our mission possible!

THE GIFT OF MUSIC

When Roberta Pratt, Materials Management Specialist, heard that Hospice patients needed CD players to listen to music, she used Facebook to ask her friends and associates for donations. She received a generous response and coordinated the delivery of the donated items. In some cases, Roberta went out of her way to drive to the donor's homes to pick up the CD players. Through their generosity, Roberta was able to give the gift of music to Hospice patients. Her actions ensured Hospice patients are taken care of on a personal level – not just a clinical and medical level. She cares about making patients' lives as comfortable as humanly possible.

PART OF HER MINISTRY

If you speak to anyone who has worked directly with Life Enrichment Coordinator Kathy Jastromski, or to anyone who has even met her periodically, they will tell you that what Kathy does here at Luther Manor is not just a job; it is a necessary and vital part of her ministry and life service. She consistently and selflessly goes above and beyond to make sure our residents have rich, full lives...She cares truly and deeply about enriching the lives of the people around her.

Visit luthermanor.org/missionpossible to see more stories of our mission in action!

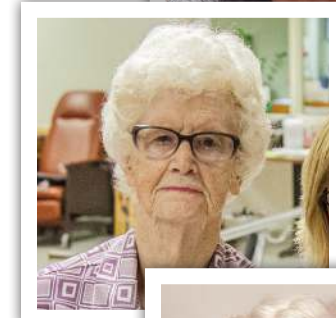

A SYMPHONY OF SERVICE

We always appreciate the numerous citizens who willingly give their time and care to Luther Manor, but on Thursday, September 26, 2019, we took time to specially recognize our devoted orchestra of volunteers during our annual Volunteer Appreciation Event, appropriately themed "A Symphony of Service."

Volunteers and staff had the opportunity to enjoy a wonderful spread of hors d'oeuvres and each other's company before celebrating kindness, compassion, and service during the program lead by Director of Volunteer Services Cheryl Schmitz.

Volunteers who reached a milestone 500-hour increments or more than 10 and 25 years in their service to Luther Manor were celebrated. We were also excited to recognize three well-deserving volunteers by presenting them with the Good Samaritan Award. Barbara Haessly, Betty Lissack, and Goldie Steinbock (pictured top to bottom) each graciously share their talents with Luther Manor in remarkable, inspiring ways – they are genuine examples of our mission to share God's love by enriching the lives of older adults.

This mission is achieved with the support of dedicated volunteers who convey a sense of home, community, and well-being to the residents, participants, and rehabilitation guests of Luther Manor.

Volunteer opportunities are listed on our website at luthermanor.org/volunteer.

14TH ANNUAL CAR SHOW

Luther Manor's 14th Annual Car Show was held Saturday, September 7. People of all ages were delighted to see the wide variety of hot rods and classic cars on display. A big thank-you to the dedicated Luther Manor staff members and volunteers who organized and worked the event!

THE NUTS & BOLTS OF DART BALL

Each week, the teams the Nuts and the Bolts face-off in a fierce dart ball match, cheered on by their devoted fan club. Once a year, they set their competitive spirit aside and gather together for a picnic and enjoy good food and even better company!

LOVE SHINES BRIGHT

The Luther Manor community celebrated Love Lights on the evening of Thursday, December 5 with three simultaneous tree lighting ceremonies across our Wauwatosa care continuum. Hundreds of people enjoyed the festivities which included special dinners in the Park Terrace and Courtyards dining rooms.

Each twinkling light on the Love Lights tree represents a loved one in whose honor or memory a donation has been made. With hundreds of people participating each year, the Friends of Luther Manor initiative supports programs and services to benefit Luther Manor residents and is a poignant start to Advent.

We extend a very heartfelt thank-you to the donors and sponsors who make this event possible. Your generosity raised over \$25,000 this holiday season!

A Life Plan Community

The Welcome Club is made up of Skilled Nursing residents who have banded together to warmly welcome new Luther Manor residents. Together with our UWM Student Artist in Residence, Danielle Hobach, and Life Enrichment Coordinator Kathy Jastronski, they handcraft cards to spread love and support with new neighbors.

What's better than a tour of the beautiful Milwaukee Art Museum? A tour lead by a museum docent who also happens to be a Luther Manor volunteer! Mary Tollerander graciously toured Independent Living residents through the new exhibit, Old Milwaukee and Georgia O'Keeffe's collection.

Independent Living resident JoAnn Holze received a blue ribbon and Best in Division award for her painting of Door County on a quiet Fall day at the 2019 Wisconsin State Fair! She also took home a blue ribbon for her shepherd sculpture inspired by a sermon about the Good Shepherd. Congratulations, JoAnn!

Independent Living residents enjoyed a fun summer day at the Mitchell Park Horticultural Conservatory domes!

Skilled Nursing residents created beautiful silk scarves using different foods and edible things found in the kitchen! Each scarf was unique and showed wonderful creativity.

Every month a different Assisted Living group has a themed "Neighborhood Lunch," featuring background music, linen-dressed tables, cloth napkins, and decorative centerpieces. Residents receive a formal invitation. A recent menu was Caprese salad, pasta, with a choice of a zesty meat marinara or grilled chicken Alfredo, garlic bread, and for dessert: cannoli!

Street Angels Milwaukee Outreach is a volunteer-based non-profit that provides basic necessities to many of the homeless population in Milwaukee. As a part of Luther Manor's outreach to the larger community, residents across our Wauwatosa campus shared God's love as they made and packed homemade soup, homemade applesauce, peanut butter and jelly sandwiches, desserts, and notes of encouragement into beautifully decorated bags to support the Street Angels mission. Several residents even delivered the donations to Street Angels headquarters in the Luther Manor bus.
