

Luther Manor Continuing Precautions Related to COVID-19

April 6, 2020 7:19 pm

There are still no new cases of COVID-19 on either of Luther Manor campuses, which is where most of our energy continues to go. This remains our highest priority and will continue to be so. I'm grateful for all the support once I apologize that this has been my opening line for so long. Our plan is to remain a broken record with this statement and we work hard to keep this going!

Here is what is happening on the campus:

- Yes, the no news is good news line applies, yet we want to make sure we are remaining just as diligent as we were 3-4 weeks ago when the communication from the CDC and DOH was fast and furious. The weather is getting nice, the national news over the weekend had a lot of positives and everyone that is cooped up is getting more antsy by the day. Maybe just one little day of cheating will be ok right? Wrong! Please, let's not get complacent and get lulled into thinking we can have a day we take a break from being diligent and undo all the good work done thus far! Please keep the communication flowing with your loved ones and once again keep encouraging them to continue the good work they have done.
- Speaking of being diligent, Luther Manor's Chief Clinical Officer - Julie Jolitz has been working tirelessly leading her team and ramping up the communication and education to do everything possible to keep our residents and staff safe! Just today we found out after her usually long days she also worked on and passed the COVID Nurse Safety Ambassador exam! Join us in thanking Julie for her continued efforts and the efforts of her entire clinical team.

A Life Plan Community

- In case you had not heard Krispy Kreme has made a pledge to support health care workers by donating donuts, so we gathered up five dozen this morning and placed them in staff break rooms.

- Our worship this past Sunday, included palms and plenty of symbols through the Passion of Christ that we broadcast on our in-house TV channel. We have two services planned for Easter Sunday, not to mention our Maundy Thursday and Good Friday services this week.
