

Luther Manor Continuing Precautions Related to COVID-19

April 29, 2020 5:07 pm

Good evening from Luther Manor. There are still no newly acquired cases of COVID-19 on either of Luther Manor campuses. This remains our highest priority.

Thank you for the continued support and the communication you provide to your loved ones and that we share with our remarkable team of employees. Please don't let up, we know this is hard on everyone and we need to keep those spirits up!

Shout Outs of Thanks!

- Thank you **Patricia Siegesmund** one of our Luther Manor Volunteers for the cloth masks!
- Thank you **Krissy Petersen Schmidt from Fancy Crumbs** for the cloth masks!

Campus Happenings

- As we've shared many times, there are so many great things happening that just won't wait for COVID to end. Something must be in the Luther Manor water! Or maybe the activities, faith enrichment or the food:) This is our 3rd Luther Manor resident celebrating the "**BIG 100**" during the historic COVID-19 pandemic! Singing, cake and friendship! We know Lorraine's family cannot hug her right now, yet they should know we will do all that we can to try to make up for that!

Campus Update

- We shared with you awhile back the need to be diligent and supportive of your loved ones when it comes to your communication. Our Loss Prevention Manager received information from the Department of Homeland Security that the #1 fraud attempt right now capitalizes on the COVID-19 pandemic. Please see the attached copy of some advice that may be helpful. Even though it may seem obvious please continue to have those tough conversations with your loved one. We would hate to hear of one of our residents falling prey to this because they have such a giving heart!
- We've heard over and over that everyone appreciates getting these updates, yet with the heavy lifting of the crisis behind us - fingers crossed!, we've come to fill our updates with a lot of the little things we are doing on campus to keep spirits up and build on team work. With that said, there was a lot of other important work that was left at the wayside when the crisis hit and it's now calling our names. **So, we'll switch to a Monday, Wednesday and Friday schedule for our email and Hotline updates starting on May 4.** Of course, if something important comes up, we won't wait to share it. This does not mean that if you see an update come out on a Tuesday or Saturday panic should ensue, as it could just be that we have something important to share or we need help from this group. We appreciate the nearly 1,000 person readership that was built over the last 8 weeks and value the opportunity to share Luther Manor in action as we serve out our mission of Sharing God's love.
