Luther Manor Continuing Precautions Related to COVID-19

June 12, 2020 3:17 pm

Good afternoon from Luther Manor. The safety of our residents and staff continues to be our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff during this extremely challenging time. Light update today!

Shout Outs of Thanks!

- Thank you to **St. Catherine of Alexandria, Prayer Shawl Ministry** for the wonderful bag of shawls for our Hospice residents or residents in need.

Campus Update

- As we continue to manage the future and PPE we had requested supplies from FEMA a few weeks ago and the second shipment just arrived. Surgical and cloth masks, goggles, gowns and gloves all come in handy when you are three months into a pandemic that won't seem to go away! They may not look exciting, but to help keep us from worrying about running low, it's like Christmas:)

We will take another break from sending the update over the weekend, unless something pressing comes up. “Talk” to you on Monday.
