

## Luther Manor Continuing Precautions Related to COVID-19

July 6, 2020 4:55 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place. The Terrace Independent Living program remains in Phase II reopening.

We hope you had the best Independence Day weekend you could under these Covid-19 circumstances. Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you to the Menomonee Falls Public Library and their business manager, Ellen Rohr** for all the beautiful artwork. We are not sure what to do with it just yet, but I know we will figure out something to help our residents enjoy it and be more comfortable!

- **Thank you to Stephanie Chedid for covering these Covid-19 updates, and Pastor Laura and Kathi Brueggemann** for covering the channel 956 resident morning prayer and updates last week, so I could take a little time off! Great time enjoying God's Country Up North, 600 feet apart:)

And thank you God for the sunrise, sunset and everything in between!

## Campus Happenings

- One of the great things about both Luther Manor locations is the green space available for residents to get outside, enjoy nature and of course get some fresh air! Here are a few shots from our River Oaks location with gardening, attracting birds and showing pride in the birth of our country!
