Luther Manor Continuing Precautions Related to COVID-19

April 16, 2020 6:28 pm

There are still no newly acquired cases of COVID-19 on either of Luther Manor campuses, which is where our energy continues to go. This remains our highest priority. Thank you for all the support and communication you have provided your loved ones and our team of employees.

- Thank you to more groups and organizations for Sharing God's love with Luther Manor. In appreciation:
 - Thank you to **The Masked Sewists of SE Wisconsin** for all the cloth masks and the next round you are still working on!
 - Thank you **Leeanne Munyon** for sending masks from Arizona, we are hoping some consistent warm weather came with them :)
- We have been working on conserving personal protective equipment (PPE's) since day one. As the pandemic stretches on the CDC is now requiring us to have a formal written PPE conservation policy. Thus, we have taken additional steps to ensure that staff who provide direct care to our residents have appropriate and adequate PPE. Thanks to all of the donated cloth masks we've received, we are in a good position at this time. We certainly don't need an inventory crisis on top of the Coronavirus crisis!
- A request for all of those who speak to your loved ones regularly. There is a new group of scammers trying to take advantage of the elderly during this crisis. Please remind your loved ones that no one they know would be asking for a prepaid gift card to help them buy needed medicine or to pay for COVID-19 testing nor would any professional business request this of them. Other twists on the scam suggest that you can get more stimulus money from the government - or get your stimulus check faster - if you share personal details like a social security number and/or pay a small "processing fee". No one needs to spend money to receive their stimulus check and there are no short-cuts - even for a fee. Thank you for your partnership with your loved ones and support as always!

Please remember, keep those calls, cards and emails coming. Please keep contacting your loved ones in all ways possible!
