

## Luther Manor Continuing Precautions Related to COVID-19

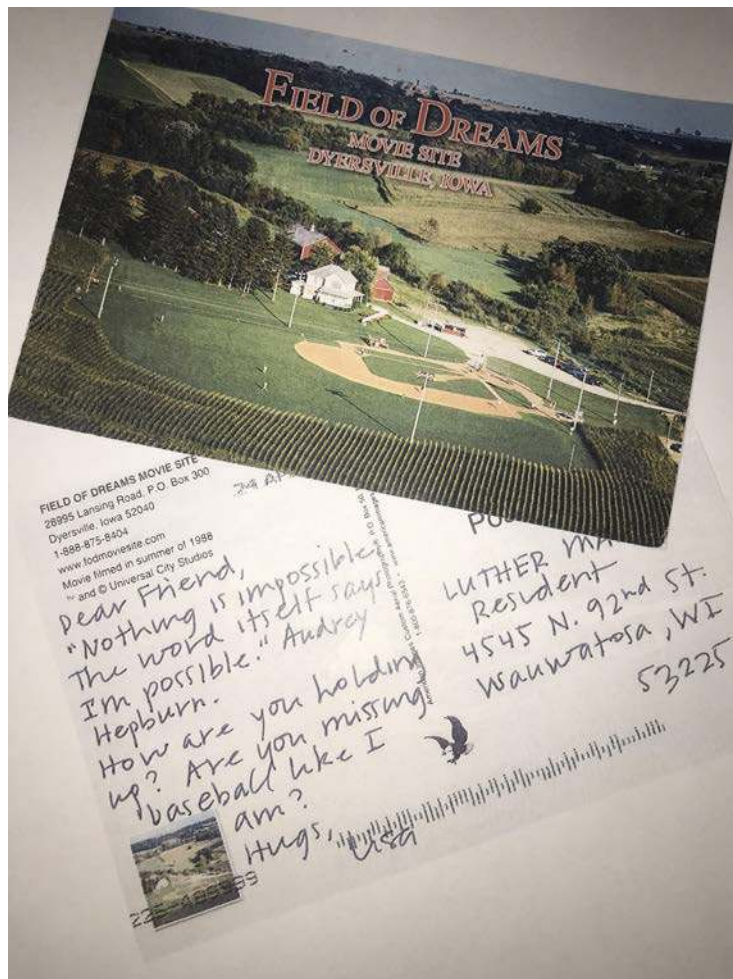

**April 28, 2020 5:07 pm**

Good evening from Luther Manor. There are still no newly acquired cases of COVID-19 on either of Luther Manor campuses. This remains our highest priority.

Thank you for the continued support and the communication you provide to your loved ones and that we share with our remarkable team of employees. Please don't let up, we know this is hard on everyone and we need to keep those spirits up!

### Shout Outs of Thanks!

- **Thank you Lisa "the traveler"** who sent a wide array of postcards from all across the United States to brighten our residents' day. My personal favorite was from Field of Dreams in Iowa for all the baseball fans missing America's pastime!

# LUTHER MANOR

A Life Plan Community

- Thank you Mary Tollander and St. John's Lutheran Church in Brookfield for all the encouragement early on and still going strong!

## Campus Update

- If you know of any individuals that have sewing skills we could really use gowns in our PPE collection. I have re-attached a couple sets of instructions. If need be, we would consider covering the cost of materials if there is skill in this group or a referral. As always thank you for your assistance!

## Campus Happenings

- With various states changing rules, opening certain businesses and everyone's patience wearing thin with this pandemic, we continue to keep our eyes and ears open for ways to get re-engaged, keep residents stimulated, yet remain safe. Unfortunately, we have not been given an indication about when we can reopen to visitors. The only information we've received is that nursing homes and retirement communities have been placed in the later phases for reopening. Please continue to be a good listener for them and a voice of reason when your loved one may want to disregard the "Safer and Home" order and the guidance we have received from all of the agencies we are partnering with. We know how hard this is, yet cannot fathom an outbreak here! We need our extended family to keep their faith, stay strong and be diligent to keep our number one priority of keeping our residents and staff safe! We will get through this together! One of my favorite lines for years has been "act like it's all dependent upon you and pray like it's dependent upon God". Enough said!
