

Luther Manor Continuing Precautions Related to COVID-19

April 30, 2020 5:13 pm

Good evening from Luther Manor. There are still no newly acquired cases of COVID-19 on either of Luther Manor campuses. This remains our highest priority.

Thank you for the continued support and the communication you provide to your loved ones and that we share with our remarkable team of employees. Please don't let up, we know this is hard on everyone and we need to keep those spirits up!

Campus Happenings

- With the Covid-19 pandemic continuing on, we wanted to do something special for our remarkable staff. This time we created **C.A.R.E.S. Packages of essential products for our essential workforce**. We selected items that have been in short supply and over the past couple of weeks worked with several organizations that allowed us to buy at a discount, exceed quantity limitations and some even donated to the effort. So, at 6:00 am today, we began distributing bags to all 400 of our staff filled with toilet paper, paper towels, garbage bags, laundry detergent, bleach, hand sanitizer, antibacterial soap, Carmex, non-perishable food items and lots of candy. Our C.A.R.E.S. package coincides with **Luther Manor's Values - Compassion, Accountability, Respect, Everyone Matters and Service to God**. Luther Manor C.A.R.E.S about our essential staff and this was a meaningful way to show them we mean it. The response has been wonderful and staff were incredibly appreciative.

We know how much they mean to all of you as well so in the spirit of appreciation we want to remind you that next Tuesday is **"Giving Tuesday."** Consider showing your gratitude for all that our staff does and is doing during this pandemic by giving to the Team Appreciation Fund that provides cash bonuses to our staff. **Learn more by clicking on this link [Team Appreciation Fund](#).**

LUTHER MANOR CARES

Luther Manor has five values that represent how we live out our mission to "share God's love by enriching the lives of older adults." One of those values is "everyone matters" - recognizing that our residents, their families, our staff, volunteers & donors are all vital to our mission.

To express our gratitude for you in particular, we have put together this Luther Manor CARES package and filled it with essential items for essential employees. Thank you for your good work. It is certainly God's work.

Campus Update

- We shared Easter with your loved ones and with Mother's Day fast approaching, we are trying to think ahead. Here is your gentle reminder, Mother's Day is a week from Sunday:) With that said we had a lot of deliveries for Easter and can only assume Mother's Day will be even busier. With us now delivering mail, groceries and packages, we ask that you think ahead and we can accept deliveries later next week as well as Saturday. Please make sure all packages are labeled and closed securely.
