

## Luther Manor Continuing Precautions Related to COVID-19

May 11, 2020 5:10 pm

Good evening from Luther Manor. There are still no newly acquired resident cases of COVID-19 on either Luther Manor campus. With this said, our resident and staff safety remains our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Thank you for your support and commitment to our residents and staff during this extremely challenging time. I cannot believe we are now into our 3rd month:(

### Shout Outs of Thanks!

- **Thank you to Ford Motor Company and J. Todd Kloeb, their Global Capacity Planning Manager** for the second donation of 250 face shields!
- **Thank you to Abi Gilman and Wantable for the 200+ masks!** This puts us in a very comfortable position to not need any further cloth masks. We thought this one with the comical mustache from them would give you a chuckle like it did for Art from Finance!

### Campus Update

- *From the Desk of Dr. Chuck Hajinian, Dentist for Luther Manor*

*Dear Luther Manor Residents*

*I wanted to let you know that as the dental consultant for Luther Manor over the past 7 years, I am available for you with any dental questions or*

*concerns you might have. I may have some remedies over the phone for you. I also have specialists who are helping me during this quarantine time. When possible, our office is updated with the latest CDC requirements.*

*Feel free to call me, whether you are a patient of record or not, day or night. My cell number is 262-352-4140.*

*Stay well and healthy. Keep your teeth and gums healthy with regular brushing and flossing. We are here for you.*

*Dr. Chuck Hajinian*

The letter above from Dr. Hajinian is pretty straight forward, yet we thought it would be good if you checked in with your loved one and asked how they are doing, you could let them know he is available for a consultation whether they have seen him in our clinic before or not. Thank you as always for collaborating with us for the benefit of your loved ones! We especially appreciate him providing his cell number and the day or night offer!

## Campus Happenings

- We are so excited to be celebrating “Nurses Week” while our nursing team shows us what they are made of battling Covid-19! Thank you Paratech, Health Direct and Grand Appliance for the swag! Here Brenda and Romesha pose with who else but Florence Nightingale, the original Nurse who’s 200th Birthday is May 12th! Two of her best quotes seem like still apply today.

*“How very little can be done under the spirit of fear.”*

*“I attribute my success to this - I never gave or took any excuse.”*

- The Coronavirus had us celebrating yet another important holiday while apart. We did our best to make up for it on Mother's Day. We thought photos of our volunteers doing FaceTime and Zoom video chats would warm your hearts. I can tell you that our staff received as much satisfaction in helping with the calls as our residents and their families did. Thank you, families for this gift to us!

- Our dining services team came up with the idea of a flower for all Luther Manor mothers and a spot-on phrase to go with it - “No language can express the power, beauty & heroism of a mother's love.” Here are some nice shots of the Merklein’s, Gladys, Mary Alice and Frances enjoying a sunny flower on a gloomy but special day!
