Luther Manor Continuing Precautions Related to COVID-19

May 27, 2020 4:58 pm

Good evening from Luther Manor. Resident and staff safety remains our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

We hope you all had a great Memorial Day weekend! Thank you for your support and commitment to our residents and staff during this extremely challenging time.

Shout Outs of Thanks!

- **Thank you to the baker that wished to be anonymous**, yet dropped this American Flag decorated cake.

Campus Happenings

- All but one of the COVID-19 tests conducted on staff in the Health Care Center unit were negative. The one staff member having a positive result was re-tested over the weekend and that test came back negative. Separate from the Health Care Center cohort, today, we were notified that a staff member who does not have direct resident contact tested positive however this individual was not on campus during the period of concern. As always, we are working with the Department of Health to ensure notification occurs, monitoring of staff and residents continues and we are vigilant in our use of PPE.

A Life Plan Community

- With our usual Memorial Day events on hold, we did all we could to Honor our hero, our Veterans! Patriotic sing-alongs, resident veteran themed poetry, history fun and Armed Forces related content on our In-House TV Channel 956. Thank you Luther Manor Veterans!
- Terrace resident Millie Seefeld was the recipient of the Lance P. Sijan Award on Tuesday. This honor is bestowed during Milwaukee Armed Forces Week and the recipients are those who have served with valor in past wars and are selected by the Armed Services Committee. Millie, the first woman to receive this award, is being recognized for her service in WWII, where she served as a nurse in London through harrowing circumstances, including caring for those wounded in the Battle of the Bulge.

Normally, this award is given at a luncheon, so with this year's luncheon having been postponed until further notice, Committee Chair Tom Buck (who is also Luther Manor Foundation's Board Chair), Committee President Tom Plattenburg and Luther Manor CEO, Stephanie Chedid honored Millie in person.

Here are a couple of great shots from the private ceremony honoring Millie. We just love Millie's Mask and the picture she is holding of herself from back in the day!
