

## Luther Manor Continuing Precautions Related to COVID-19

May 29, 2020 4:59 pm

Good evening from Luther Manor. Resident and staff safety remains our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Thank you for your support and commitment to our residents and staff during this extremely challenging time. Almost 3 months in and we can tell many of our residents are getting restless (aren't we all). Please continue communicating with your loved ones and if a volunteer keep sending those pictures, emails, cards and letters of encouragement that we can deliver. It means more than you know!

### Shout Outs of Thanks!

- **Thank you to the daughters of Courtyard Resident Elroy Storm! Daughter Cindy Storm Fischer** dropped off enough treats for all that yes brought a smile to our team members and the beautiful note brought tears to eyes!

### Campus Update

- Today, we learned that one of our Health Care Center residents who is in the hospital tested positive for COVID-19. This is a different unit than the one having the positive case two weeks ago. All staff who interacted with the resident and the families of those having loved ones in the area have all been notified. If you didn't receive a call

A Life Plan Community

from us, your loved one is not affected. Today, we tested all the residents on this unit and notified all families of the testing. Additional testing kits will arrive early next week and we will test all staff on that unit. You know that since mid-March, we have been conducting vitals checks on all Health Care Center and assisted living residents three times per day. We also monitor them for symptoms to help us identify any changes in their conditions. Together with wearing masks, screening staff and following frequent cleaning and hygiene protocols, we have precautions in place to help mitigate the spread when someone becomes ill. We will keep you updated as this progresses.

## Campus Happenings

- With the weather turning nicer, we take every chance we can get to help residents get outside and/or we encourage our independent living residents to take advantage of our 19 acres. The buddy system is encouraged with a fellow resident, of course wearing masks and staying 6 feet apart. Here are a few of our Courtyard's residents taking advantage of one of our outdoor spaces.

A Life Plan Community

**We will take another break from sending the update over the weekend, unless something pressing comes up. “Talk” to you on Monday.**
