Luther Manor Continuing Precautions Related to COVID-19

July 27, 2020 6:09 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Congratulations to Wendy Wang, our Staff Accountant who is our most recent Mission Possible Winner.** If you recall once a month we honor a staff member(s) for embodying Luther Manors Mission of **“Share God’s love by enriching the lives of older adults”** and for going over and above the call of duty.

All of us are asked to take on additional responsibilities from time to time. It's how we respond to such opportunities - with a willingness to help however we can - that truly matters. Add a smile to that helpful, can-do attitude and you have Wendy. When there was a need for a payroll specialist on Luther Manor's finance team, Wendy did not hesitate to jump in and learn payroll, in addition to her regular accounting responsibilities. These extra duties and extra hours meant that employees were paid accurately and on time - which means everyone was happy!

If that weren't enough, Wendy used her connections to make sure that Luther Manor had extra masks & PPE to help carry us through the COVID-19 pandemic as healthily and safely as possible.

Join us in thanking Wendy for showing **respect** and **compassion**, while demonstrating that **everyone matters**. Showing her willingness to learn something new, saying “yes” to a challenging request and finding ways to go above and beyond, Wendy has made our Mission Possible!

Campus Updates

- I thought of a follow up to last week where I alluded to our efforts to make sure we are covering resident basic services that we do every day, as well as trying to do our best to make up for the impact of Covid-19. What came to me was something I have shared before, which was a sign I once saw in a barber shop... There was a large wall to wall sign in this barber shop that looked like a giant border which said “If you love your haircut tell ten of your friends, if you don’t tell me”. With that said, if we can help you with your loved one in any way please be sure to let us know. Conversely, if you love what you are hearing from your loved ones, or what you are seeing, please be sure to refer us to others that may have a need.
