Luther Manor Continuing Precautions Related to COVID-19

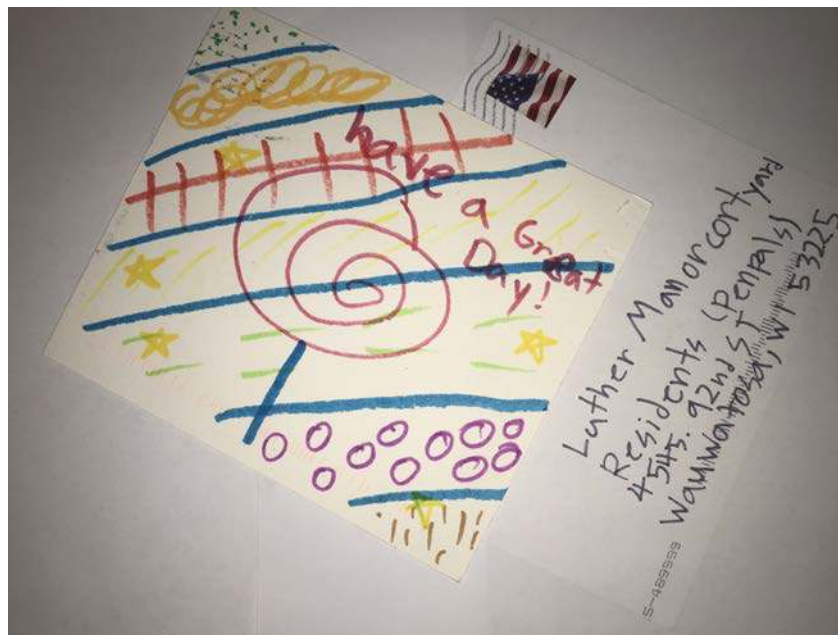

July 31, 2020 4:15 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place, although as I mentioned on Wednesday the Terrace Independent Living reopening phased plan should re-start again on August 4th.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thanks to Anna Wind one of our Girl Scouts from Washington DC** for this awesome postcard! Anna is part of a Troop with the great Granddaughter of our Courtyard Residents, Lucille Johnson. We appreciate you and the rest of your troop supporting our residents.

Campus Happenings

- Our Courtyard and Health Care Center residents did a fun project that was a true win/win. You can see the effort put in for this painting, how the outdoors were enjoyed and how inspiration for our staff was added. These stones now line our

main employee entrance and put smiles on the staff faces both coming to work and going home!

Campus Updates

- **Here's a reminder that our Independent Living residents in the Terrace return to our reopening phases as of August 4th.** The same requirements exist as before we had to pause the reopening. If you can assist your loved ones and follow the following rules yourselves, we would really appreciate it.
 - Independent Living Residents in the Terrace will be able to restart outdoor visits. These visits are limited to 2 visitors and yes are outside only. Please practice social distancing and masks are required to be worn by all for the visit.
 - Exercise rooms will open up by appointment only. Reservations need to be made by calling Stephanie Rutkowski in Life Enrichment or Katie and Linda in the Terrace offices. Residents need to check in at one of the Terrace offices as well.
 - The Beauty Shop and Massage therapy appointments are to be scheduled in advance with the respective providers of service.
 - Residents will no longer need to self-isolate after leaving the campus, except after a hospital visit (note Dr. Office visits will no longer require the 14-day self-isolation).
