

Luther Manor Continuing Precautions Related to COVID-19

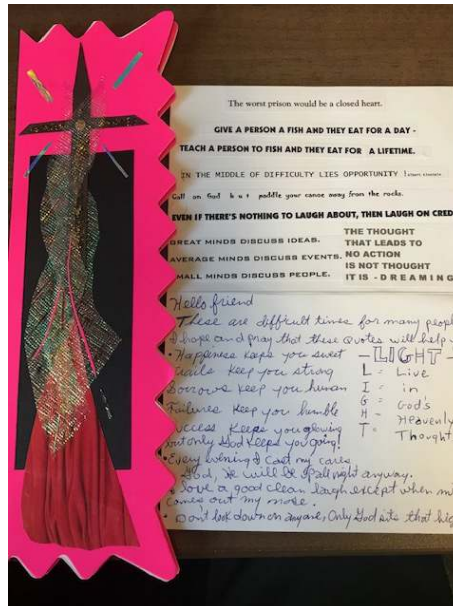

August 26, 2020 4:43 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place. This includes outside visits only for our Terrace Independent Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- Thank you to Ava, David and Valerie, from Gainesville, FL for the whole slew of personalized cards, inspiration and spiritual encouragement. Here is a small sample that is just beautiful!

- Thank you to A. Turner from Orland Park, IL for the dozen cards for our residents in need. You are making a difference!

Campus Updates

- Here is the final follow up on last week's communication that a Courtyard's resident tested positive for COVID-19. Finally, all of our Courtyard's staff tests came back and they are all negative. The resident who tested positive is doing well and will be returning to her apartment tomorrow, which is also the day we

will lift the quarantine in the Courtyards. Our heightened precautions and ongoing monitoring mitigated the spread once again.

Thanks to all of our remarkable staff who are wearing their PPE, disinfecting the campus and paying close attention to changes in our residents' conditions. We will continue to do our best to connect personally with each resident and strive to enrich the mind, body and soul.
