Luther Manor Continuing Precautions Related to COVID-19

August 3, 2020 5:19 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place, although as I mentioned last week, the Terrace Independent Living reopening phased plan re-starts again tomorrow, August 4th.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thanks to Heidi Koos from Milwaukee**, for the wonderful encouraging cards you took the time to write for our residents. You are right, we are all going through this and it too shall pass!
- **Thank you to Ethan Wolf from Rochester, NY**, for the handmade cards and encouragement you sent on. It is very apparent you took a lot of time to make those. They will be put to good use and go to a good home:)

Campus Happenings

- It is said that the most important lessons come from our elders. If we listen, we will learn.

As 2020 unfolds, it is proving unprecedented. Even the oldest among us haven't experienced a global pandemic like COVID-19. If they were alive for the Spanish Flu, they were too young to remember. And as racial injustices persist, it is the elders surrounding us who hold important perspectives that can only come from longevity, experience and sometimes failures.

If you know our annual Strong Women campaign, you won't be surprised to know that Luther Manor is also blessed with incredible men who live and work here. Inspired by them, we developed a Summer Sages of Luther Manor campaign featuring four of them. We are proud to introduce this series with Terrace Resident, Dick Merklein. Enjoy! And please consider a gift to Luther Manor Foundation to make possible the generational sharing people like him fortify.
