Luther Manor Continuing Precautions Related to COVID-19

September 23, 2020 4:22 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place. This includes outside visits only for our Terrace Independent Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **An additional thank you to our awesome extended team that have helped with more resident FaceTime, Zoom and phone calls to date! Our clinical unit secretaries Kim, Tina and Alicia. Our Hospice team helpers Brittany, Diane, Alex, Kathryn, Dede and Julie. And certainly, last but not least Suzie our Social Worker Liaison in the Terrace.** All have been instrumental in keeping residents connected with their loved ones, which we know is good for both our residents and their families.

Campus Happenings

- Did you know that yesterday was National Centenarian's Day? As we have shared many 100th plus birthday celebrations held since COVID started we tried our best to get our special group together and here are some new pictures of a few of them in this elusive club! Either, there must be something in the water or living at Luther Manor really does back up the claim about Senior Living facilities helping seniors live longer by thriving!
 - On the following page, are four of our seven centenarians from our Terrace Independent Living feeling blessed and then feeling silly! I'm thinking being silly helped them get to 100!!!!!!

LUTHER MANOR

A Life Plan Community

- And here are two of our three centenarians from the Courtyard! We should all be so lucky!
