

Luther Manor Continuing Precautions Related to COVID-19

September 16, 2020 4:51 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place. This includes outside visits only for our Terrace Independent Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you to Alexis Kolacki, a United Way volunteer** for her continued immense support and generosity of time, talent and treasure! You can see the variety of warmth she and her family have created to encourage our residents. These help us personalize each bit of sharing based on specific resident stimulus! What a gift!
