Luther Manor Continuing Precautions Related to COVID-19

October 21, 2020 4:53 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Sharing God Love

- Thank you to everyone that has stepped up over these six months to help encourage and support our residents and your loved ones. Please keep this up and look for new ways to stay engaged while we strive to keep everyone safe and find new ways to enrich our residents' minds, bodies and souls! There has been a sharp decline in outside encouragement for us to share and it would be great to continue to Share God's Love!

Campus Updates

- We continue to test our staff on the weekly basis as discussed in our last update and will continue to do so until the Department of Health changes their guidelines for us. No new positive cases have occurred. As always we will continue to keep you updated.

Campus Happenings

We've been able to keep our Terrace residents busy and always trying to stimulate their minds. Yes, that is broccoli as a brush and yes, based on the finished product you would never know:)
