Luther Manor Continuing Precautions Related to COVID-19

October 26, 2020 4:33 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Campus Updates

- We continue to test our Health Care Center and Courtyards Assisted Living staff on the weekly basis, as the 10% positivity rate has not come into action yet. We will continue to do so until the Department of Health changes their guidelines for us. No new positive cases have occurred since last week. As always, we will continue to keep you updated.

Campus Happenings

- One of the things our residents love the most about living on 19 acres in a park-like setting is the colors of fall! Thanks, Laurie from our Terrace Sales the great photos that captured a perfect, autumn day at Luther Manor!
