## Luther Manor Continuing Precautions Related to COVID-19

October 28, 2020 4:55 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain in place.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Sharing God's Love

- **Thank you to Chentl Lockett** in our housekeeping department who came up with a great way to encourage being thankful, even with everything going on in our world today. It's so great to see all our staff feeling blessed and thanking God for all they have! The cool thing about this is... this is how they act too! Isn't it great when action meets up with the words!

### Campus Updates

- Continuing our weekly testing in the Courtyards and Health Care Center we did have one new resident come back with a positive test result in the Courtyards. There were no new staff members in the Courtyards or any residents or staff in the Health Care Center that came back positive. The resident was transferred to our Specialty COVID Unit for special observation and care. We will continue to

test our Health Care Center and Courtyard Assisted Living staff on a weekly basis until the Department of Health changes their guidelines for us. As always, we will continue to keep you updated.

## Campus Happenings

- As we strive to keep our residents' mind, body and souls enriched during the Courtyard quarantine this leads to one of their favorites, BINGO! We bring our traveling sound system and set up in each hallway and interact with them following social distancing protocols and everyone has a little fun!
