## Luther Manor Continuing Precautions Related to COVID-19

**October 7, 2020 4:30 pm**

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, Kirby Feldmann** for the daily encouragement you have been sending for a while now. Your pen pal like emails and photos are fun, informational and encouraging. Thanks again!

### Campus Update

- With all program areas now doing outside visits with our residents, yet with the state of Wisconsin having increases in new cases of COVID-19, we want to remind everyone to remain diligent with your social distancing, hand hygiene and proper mask use. This is especially true if you are considering visiting your loved ones here. Of course, if a positive case of COVID-19 would come into a program area we would have to stop visits per our required guidelines.
- You may have heard that the City of Wauwatosa may have some unrest today pending an announcement this afternoon regarding whether or not charges against a Police Officer will be coming. We have prepared for this in advance, by bringing in additional staff, communicating with our partners at the Police Department, closing off unnecessary parking lot entrances, stationed staff at the remaining entrances and placing staff throughout the campus. This morning we also recommended that residents consider cancelling any trips leaving the campus for later this afternoon. We do not expect anything to happen, yet wanted to be over prepared.
