A Life Plan Community

## Luther Manor Continuing Precautions Related to COVID-19

**November 25, 2020 4:50 pm**

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

**We want to wish all of you a HAPPY THANKSGIVING and hope you all can find a safe way to celebrate in some small way! We are all very thankful you have partnered with us and also helped in so many ways during this crazy 2020!**

### Shout Outs of Thanks!

- **Thank you to Laura Bascione, from Spring Hill, FL!** Your last round of cards were so kind, fun and positive.
- **Thank you to the Wisconsin Reading Corps** for the notes of encouragement, these continue to lift our residents' spirits, especially those with little family and friends reaching out to them!

### Campus Happenings

- We were recently recognized by Lutheran Services in America for the exceptional work of our staff members to support seniors during the pandemic. They featured our organization in their Front Line Heroes section. You can catch their article on us [here](#).
- Love Lights is a longstanding tradition at Luther Manor. Residents, families and friends honor and remember loved ones with a light on the Love Lights tree, a large beautiful pine tree in front of Luther Manor's Health Care Center on 92nd Street. This year, we want to make Love Lights extra special for our residents. Please consider sponsoring a light (\$5 each) for one or more residents. Let's honor every one of them! A special sign will hang on their door, like the ones below.

To make a Love Lights gift, [click here](#) or contact Cherie Swenson at [cswenson@luthermanor.org](mailto:cswenson@luthermanor.org) or 414.831.8950.

This year we are broadcasting the event on Facebook live, so whether you donate or not, please join us for this special day celebrating those that went before us! [Click here](#) for moare info!

## Campus Update

- On Monday our Courtyards program was released from their quarantine and residents are now able to move about the building. As part of our reopening plan, in-person visits can now begin taking place again. Families of Courtyards residents should contact our Life Enrichment Coordinator, Shari Garza, to schedule a visit. We continue to prepare for when the Health Care Center units come out of quarantine and visits can resume.

Our routine bi-weekly testing in the Health Care Center found a member of that team tested positive. We tested all residents on the unit who may have been exposed and will do so again in 5 days. At this time, none of these residents are experiencing signs or symptoms of COVID. All families have been notified so if you haven't heard from us your loved one was not affected. We continue to work closely with the Wauwatosa Department of Health to ensure precautions are being followed to help mitigate the spread. The unit affected is under quarantine until we are sure no new cases arise from this latest staff case.
