Luther Manor Continuing Precautions Related to COVID-19

November 27, 2020 4:41 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you to Judy Fisher, daughter of Terrace resident Tina Lawton** for the generous donation of large print bestsellers! Residents can check these out in our Cypress room library, which is great as these gifts will keep giving!

- **Thank you to Jenny from Children's Hospital** for the handmade Thanksgiving cards that were wonderful! We have a lot to be thankful for in spite of this pandemic and all our supporters remind us of this every day! We know how busy you must be as a hero/nurse for children, so taking your personal time for our residents is so inspirational! Happy Thanksgiving to you too!

Campus Update

- Our routine bi-weekly testing in the Health Care Center found another member of that team tested positive today. The results of our resident tests conducted on Wednesday have come back and all resident test results were negative. No residents are experiencing signs or symptoms of COVID, yet as a precaution we will once again test all residents on the affected unit on Monday of next week. We continue to work closely with the Wauwatosa Department of Health to ensure precautions are being followed to help mitigate the spread and remain flexible with any changes to their guidelines.
