## Luther Manor Continuing Precautions Related to COVID-19

December 7, 2020 4:43 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, Helene Gu from Lake Bluff, Illinois** for the stacks of encouragement, cards, envelopes and stamps for our residents to be able to reach out to their loved ones! The photo below does not do it justice, yet each pack is ½ inch thick! Your drawings were spectacular as well!

- **Thank you to the students from Asa Clark Middle School in Pewaukee and their Math Teacher and Student Council Advisor, Erin Mente!** The Christmas cards and activity kits certainly accomplished your goal to help alleviate some of the social isolation that some of our residents may be experiencing during the COVID-19. The kits included snacks, crossword/puzzle books, puzzles, tie blankets, activity sheets, art kits with canvases and water color paints. WOW!!!!

## Campus Update

- The results of our Health Care Center twice weekly and Courtyard weekly staff testing continue to come in on a steady basis and once again there are no new positive cases. Milwaukee County positivity rate came out today and now sits at 14.7%. With this we will continue with a twice weekly testing pattern in the Health Care Center until the County's new positivity rate statistics come out in a couple of weeks and then follow guidelines based on that positivity rate. The Courtyard and River Oaks testing frequency continues to be directed by the Department of Health and as always, we will continue to keep you updated.

## Campus Happenings

- Don't forget this year's Love Lights Ceremony will be held via Facebook Live. Follow this link to our Facebook page, like us and select that you are "Going" Once you do this you, just open up our Facebook page a little before 5 PM, this Friday and the event should come up automatically.
