Luther Manor Continuing Precautions Related to COVID-19

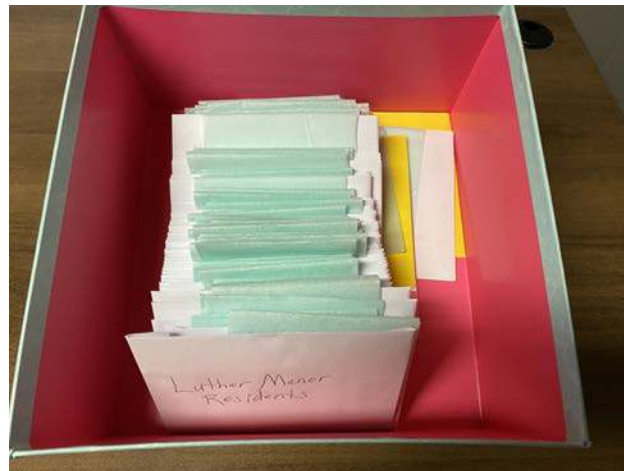

December 14, 2020 5:04 pm

Good Evening from Luther Manor. The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, to Vivian Dyson and the Wisconsin Reading Corps** for the box of cards encouraging our residents. We really appreciate all the time and energy your group put in for the benefit of our residents, during this Christmas season!

Campus Update

- Our twice-weekly routine testing in the Health Care Center found two members of that team tested positive. All staff and the families of those having loved ones who may have had direct contact with these individuals have been notified. If you were not contacted by us, your loved one is not affected. No residents are experiencing signs or symptoms of COVID, however as a precaution we will quarantine and test all residents on the affected unit and continue our twice weekly testing of staff members. We continue to work closely with the Wauwatosa Department of Health to ensure precautions are being followed to help mitigate the spread and remain flexible with any changes to their guidelines.

Campus Happenings

- Our Love Lights ceremony on Friday evening was a fantastic success for all that watched on Facebook Live and for our residents on Luther Manor TV. A special thank you to Cherie Swenson, from the Luther Manor Foundation for her hard work in organizing and executing once on this year's event. Here are some of the best shots of our event, that included part of the Choristers sharing their voices with us!
