Luther Manor Continuing Precautions Related to COVID-19

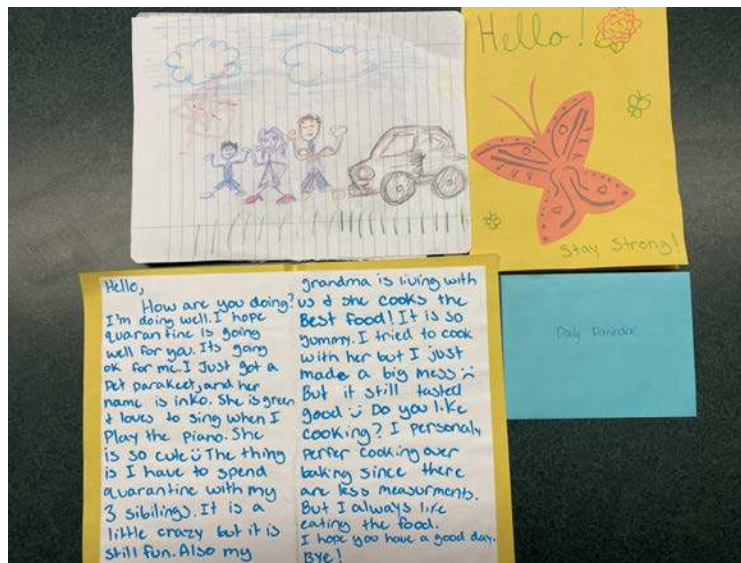

January 25, 2021 5:31 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, to Sahara Tran of Dallas, TX and Linda Tran of Fairfield, CA** for the Daily reminder cards, the artwork and homemade artwork, encouraging our residents. We aren't sure if you are related, yet know you are both very giving and we are so grateful! Here is a small sample of both of their talented handy work and giving of their talent and time, which is a treasure to our residents!

Campus Update

- In collaboration with the Department of Health we have lifted the quarantine in the Health Care Center for all apartments except the COVID positive where we treat those still recovering with COVID. This means all apartments in our Health Care Center and Rehabilitation units with the exception of the unit where we care for those that are COVID positive are out of quarantine. With the quarantine lifted, in-person visits for residents that live in these units can resume. Please reach out to Kathy Jastromski at 414-847-5080 or via email at

LUTHER MANOR

A Life Plan Community

kjastromski@luthermanor.org to schedule your visit and discuss the ongoing precautions and protocols.

- The past couple of days we have been able to celebrate a couple more centenarians. Sister Rose Kroeger turned 101 on Friday and Lu Techel turned 106 years old on Saturday. Yes, you read that right, Lu turned 106!!!

Here are a great couple of shots of Lu, now don't call me a liar, she really is 106!

Campus Happenings

- As a reminder Walgreens **will be providing the first vaccination for our residents of the Courtyards, River Oaks and our Terrace Independent and Supportive Living residents.** All vaccinations will occur on **February 2nd**, which is the same day our Health Care Center residents and staff will get their second vaccine. Those receiving their first vaccine on February 2nd will receive their second vaccine on March 2nd. All Terrace and Supportive Living residents will be vaccinated in the Terrace. All staff and residents except for those living in the Terrace will be vaccinated in the Faith and Education center. If you are helping your loved one fill out their forms, please be sure to **complete as much as you can and return them to your respective Luther Manor Contact by January 27th**. We have noticed many **Walgreens forms being returned are missing section B-1, please complete this as well.** Return the forms to the following team members, based on where your loved one resides:

- Health Care Center 1st and 2nd vaccination, return forms to:

LUTHER MANOR

A Life Plan Community

- Char Ball - cball@luthermanor.org
- Courtyards and River Oaks, return forms to:
 - Jennifer Seaver - jseaver@luthermanor.org
- Terrace & Supportive Living, return forms to:
 - Kathi Brueggemann - kbrueggemann@luthermanor.org

If you assist your loved one with the paperwork and **you are not the activated power of attorney, please do not sign the forms.** Fill out as much as you can and we will present to the resident for signing.

We will serve several hundred people on February 2 during our vaccine clinics. Considerable effort is being taken to help make the process easy and to encourage as many people as possible to be vaccinated.
