Luther Manor Continuing Precautions Related to COVID-19

January 11, 2021 4:57 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Sharing God's Love

- Thank you once again, to all of the incredible donors that we recognized back in December for your wonderful donations of decorations, cards and gifts for our residents in need! We thought we could share some of the pictures we took as we Shared God's Love. Thank you once again to all of you who shared this love!

Gifts included cozy blankets for their beds, sweaters, blouses, cases of their favorite soda, manicure kits, lots of candy, cookies, snacks, and lots of cards which they all enjoyed!!!! Some of their responses: "How did you know my favorite color!", "How beautiful, so soft!", "How thoughtful!" A Catholic resident cried as we unrolled her blanket revealing the Blessed Virgin Mary, she was speechless!

Campus Update

- No big update for today other than our routine testing throughout the campus found no new positive cases. We will continue these routine testings per direction from the Department of Health and monitor test results as they come in.
