

Luther Manor Continuing Precautions Related to COVID-19

January 27, 2021 4:47 pm

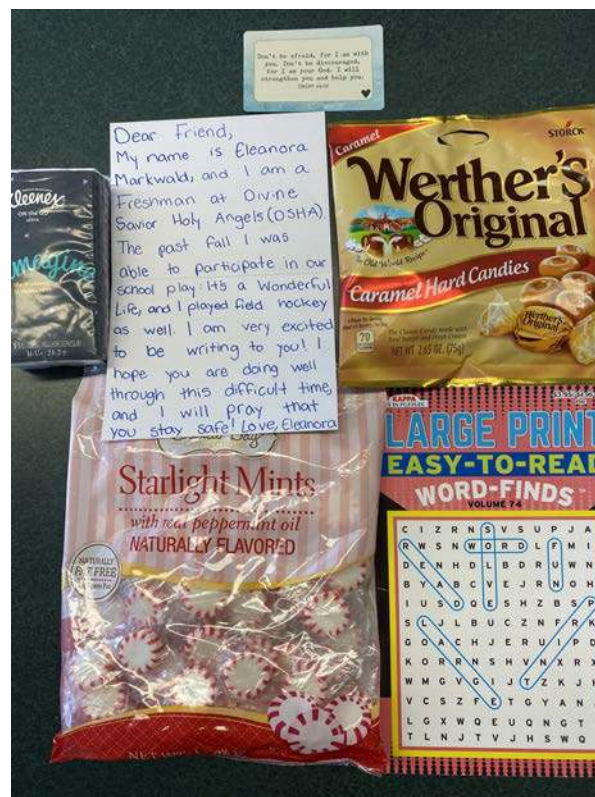

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, to Eleanora Markward, from Menomonee Falls and a Freshman at DSHA!** Your gifts were perfectly chosen and your card will be very uplifting. I'll repeat your Bible verse so no one needs to zoom in on this picture! Thanks for sharing!

Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help. - Isaiah 41:10

LUTHER MANOR

A Life Plan Community

- Thank you, Interact Club from Lafollette High School in Madison! These cards are beautiful and we will hang them proudly for many to see!

Campus Update

- We have lifted the quarantine of our residents in the Supportive Living program and ended the voluntary isolation for all other Terrace residents. This means all apartments in our Health Care Center, Rehabilitation and the Terrace are out of quarantine. With the quarantine lifted, in-person visits for residents that live in these units can resume at the end of next week. Please reach out to Kathy Jastromski at 414-847-5080 or via email at kjastromski@luthermanor.org for the Health Care Center and/or work with your loved one in the Terrace to schedule your visit and refresh yourself on the ongoing precautions and protocols.
- The county COVID positivity rate has dropped to 8.8%, which is great news for the area. Milwaukee County will need to remain below the 10% level for another two week cycle before we will reduce the ongoing staff testing to weekly. We will keep you updated on this.

Campus Happenings

- With our second vaccination clinic next week Tuesday, please let us know if you have any questions or needs for your loved one. I know we have shared this vaccination information a lot lately, yet we are here for you should you need anything to help your loved one!
