Luther Manor Continuing Precautions Related to COVID-19

January 28, 2021 4:15 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, Emma Lammert from Saxonburg, PA** for the awesome New Years Cards, Valentines and just general cheerfulness! It is very apparent that you put a lot of effort into your cards!
- **Thank you, Puneet Kaur from Dearford, NJ** for the classic inspirational quotes you shared. We will definitely share them, but I loved them as well! Here is my favorite that works for COVID and not COVID times!

"Start each day with a positive thought and a grateful heart." - Roy T. Bennett

Campus Update

- The results from our COVID testing in the Courtyard continue to come in on a daily basis (usually within two business days of administering the test). There is one staff member in the Courtyards that tested positive. We will continue to put our efforts into engaging with our residents, especially after these extended quarantines!
