## Luther Manor Continuing Precautions Related to COVID-19

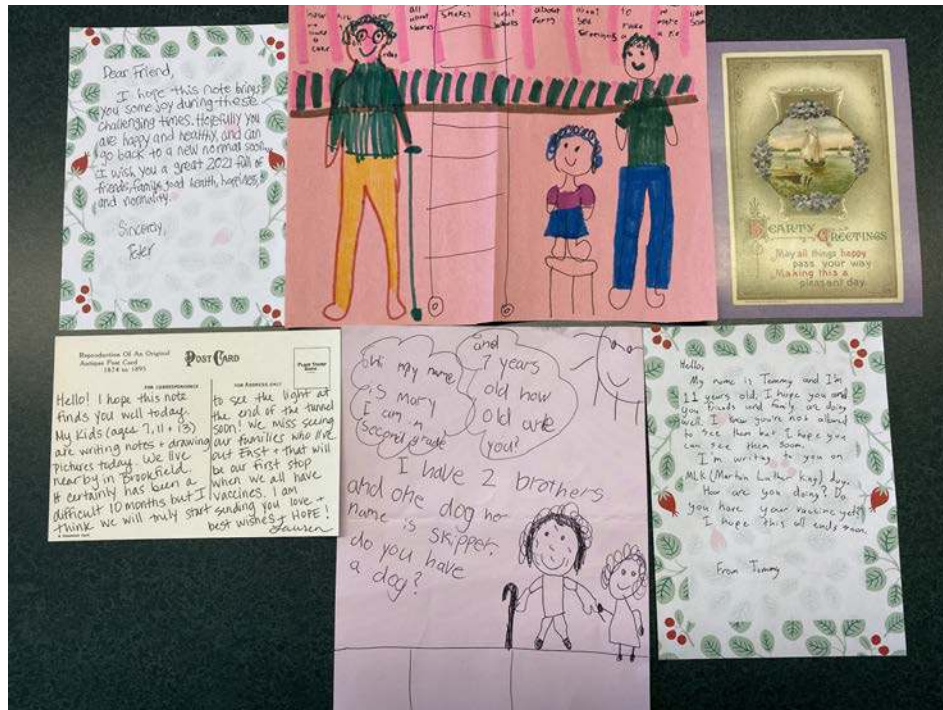

February 1, 2021 4:51 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, to Mary, Peter, Tommy and Lauren (Mom) Kennedy** for the sweet, unique and caring notes and cards for our residents! We will share with our residents that do not get a lot of communication and we know these will lift their spirits! If you get this note, yes, we would love to have more!

- **Thank you, our very own Laurie Karrels** for capturing the view many of our residents get after a beautiful snow fall like we got over the weekend. Oh, and thank you to our **Luther Manor Grounds crew** for all the beautiful snow removal in the parking lots and entry ways. Can you imagine:)

## Campus Happenings

- Not a big update on the eve of our second vaccination clinic. Just happy that our Health Care Center residents can get their second vaccination tomorrow and that our Assisted and Independent Living residents are beginning the process with their first. We will be sure to let everyone know how it goes, but right now it looks like turnout will be great!
