## Luther Manor Continuing Precautions Related to COVID-19

February 17, 2021 5:26 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, to the awesome students of Wauwatosa West High School!** What a fantastic trend that continues with our youth being such great supporters of our residents during this pandemic! Your encouragement and jokes were equally enjoyed!

### Campus Happenings

- With the upcoming 2nd vaccination clinic on March 2nd, the Walgreens forms are required once again. If you are submitting this for your activated Power of Attorney loved one, please turn it in the same way you did the first vaccination. If you need help please let us know. All Terrace residents have received new blank forms and are in the process of filling them out.
- With this being our second Lenten Season, we have learned a few things and our Pastoral Care team really did a great job today for Ash Wednesday. Our team went room to room in our Courtyard and Health Care Center and made appointments for our Terrace Independent Living residents, as well as went to apartments if the resident had a need. By all accounts this special connection to start the 2021 Lenten season was very well received!
