## Luther Manor Continuing Precautions Related to COVID-19

February 4, 2021 4:30 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, A Metcalf from Leaner, TX** for the whole slew of "Thinking of You" cards. These cards continue to be uplifting for our residents and we appreciate your talent and time!

### Campus Happenings

- Earlier this afternoon, there was disruption in our main phone line and we are unable to receive calls, and voicemail is not available. Our phone provider is working on this issue. In the meantime, we have created an emergency temporary number that goes to our main reception desk. **In case of emergencies, please call 414-831-9382.** We will do our best to handle calls as quickly as we can. We apologize for this inconvenience and hope to have it remedied soon!
- A few of our Terrace Independent Living residents that enjoy crafting created a little project to share with those they love! We think it's worth sharing with more than the lucky individuals who will receive them.

## Campus Update

- Today, our routine testing found one staff member from the Health Care Center who is positive. The Rehabilitation unit where they worked is now in quarantine and all residents in this unit will be tested. As you know, outside of this testing, we just conducted our second vaccination clinic and all employees continue to be screened as they arrive and leave work each day. If any symptoms are present, the employee is tested immediately and sent home with further instructions.
