## Luther Manor Continuing Precautions Related to COVID-19

February 5, 2021 3:30 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor restrictions remain.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Shout Outs of Thanks!

- **Thank you, Madalyn Montalbano from Greenville, WI** for the homemade pictures, inspiration and encouragement! They are positive, precious and will be incredibly well received!

### Campus Happenings

- With this past week's fun snowfall and now cold weather, we thought we'd share with you some of the unnatural snow formations our grounds crew has been creating around campus with their machinery. If you don't know we have our own team that has both a green and white thumb, then a couple managers to help out when we get a lot! They make our 19 acres lush and beautiful all spring through fall, then with our snow plows, backhoes, salters, snow blowers and shovels they also do their best to make our grounds, courtyards and entrances safe and beautiful with God's other gift to Wisconsin, SNOW! Thanks to Jim, Neal, Shaun, Bobby and Alex for having the skill to handle this equipment and a flexible family when they have to work through the night! They call the one on the right "The Shark"!

## Campus Update

- Some good news for the Southeastern Wisconsin area, in that Milwaukee County's COVID-19 positivity rate has remained below 10% for the second two-week cycle in a row. This mirrors other area counties and means effective next week we will be testing staff once weekly. Of course, if any changes come up we will work with the Wauwatosa Department of Health and adjust as necessary!
