Luther Manor Continuing Precautions Related to COVID-19

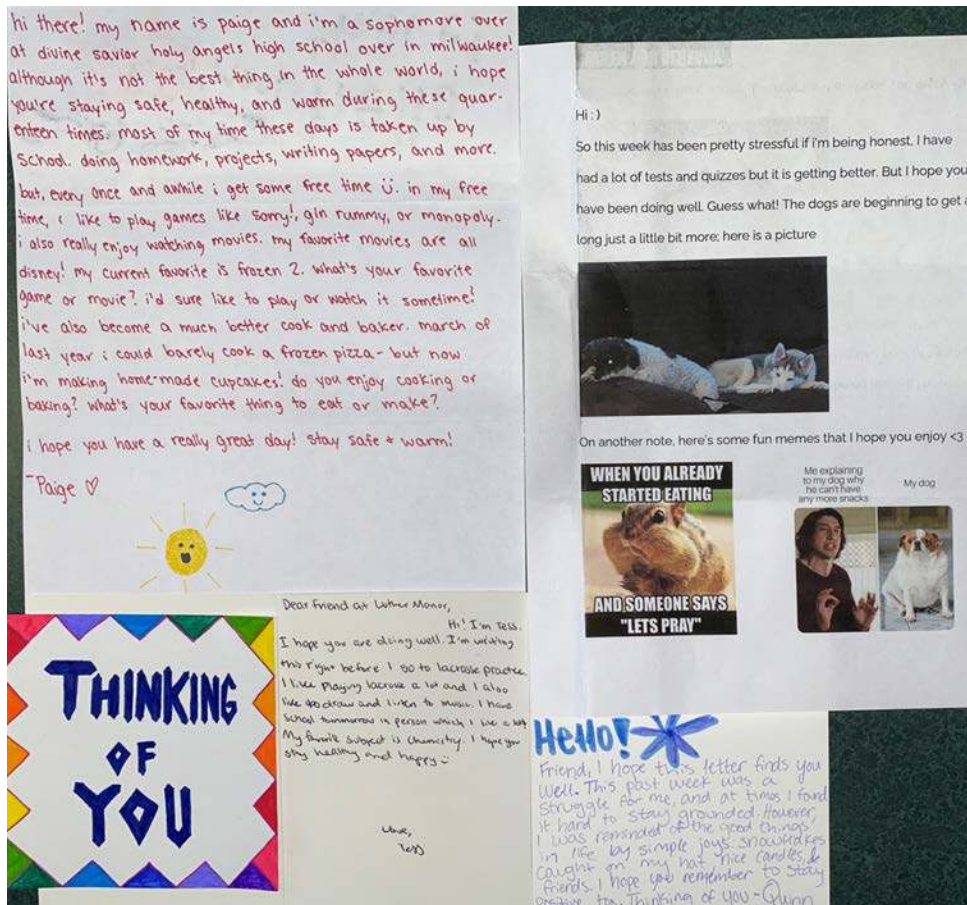

February 26, 2021 4:24 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, to Tess, Kimberly, Quinn and Paige from DSHA.** Your talent and time are truly treasures to our residents. We are so grateful for your continued pen pal efforts! I know you don't get the letters back like a pen pal would, so we hope these mentions in my update reinforce that the good things you are doing for others, you've never met, they mean a lot to many! God bless you all!

Campus Happenings

There is a saying: Strong Women: May we know them. May we be them. May we raise them. Four years ago, inspired by the strong women who live, work and volunteer at Luther Manor, we made it our own adding May we care for and about them.

Again this year, we are honoring seven incredible residents and colleagues by sharing their stories via mail, on-line and at a celebratory virtual event on March 11th. I am proud to introduce you to our first strong woman: Toy "Jane" Chin. Jane is a resident in our Health Care Center, inspiring all of us with her faith, her perspective and yes, her strength. Read more about Jane [here](#).

Please consider joining us for our Strong Women event on March 11th. Registration information can be found [here](#):

The Strong Women campaign benefits Luther Manor Foundation, helping to replenish a \$3.5 million operating impact from COVID-19.
