Luther Manor Continuing Precautions Related to COVID-1

March 1, 2021 4:59 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, Emma Lammert from Saxonburg, PA** for the new batch of cards for spring, St. Patrick's Day and Easter! Your colorings, pictures and positivity are just what our residents need! Thank you!!!!

Campus Update

- Not a big update on the eve of our third vaccination clinic. As you have noticed it's been pretty quiet on the COVID cases here (knock wood) since our second vaccination clinic at the start of February. We received information that the COVID-19 positivity rate in Milwaukee County has dropped again as well.

Our Health Care Center residents and campus staff members received their second vaccination and others got their first at the February clinic. We are just so happy that our Courtyards and Terrace residents can get their second vaccination tomorrow, and new hires and new residents are able to begin the process with their first dose. We will be sure to let everyone know how it goes, but right now it looks like a great turnout is expected and we hope this positive momentum carries over to spring and then summer!

Campus Happenings

- Strong Women of Luther Manor: May we know them. May we be them. May we care for them.

In conjunction with International Women's Day on March 8th, Luther Manor will honor seven incredible residents and staff members by sharing their stories via email, on-line and at a celebratory virtual event on March 11th. If you haven't yet, please read [here](#) the story of Toy "Jane" Chin, our first of seven strong women honorees and like us on Facebook while you are at it. I will try to cover the remaining Strong Women in my updates between now and our virtual event on the 11th.
