### Campus Happenings

- Thank you for following our Strong Women series. So many of you commented on shared posts that you were inspired by them, just like we are. With our virtual event tomorrow, here are our final four Strong Women of 2021. Strong Women: May we know them. May we be them. May we care for them.

This year, many things are different because of COVID-19. This includes our Strong Women event, which will be a virtual celebration. Another thing that is different is having illustrations of our honorees rather than photos. For many, having their hair done wasn't possible, so we enlisted the help of a local illustrator to draw them based on pictures provided. The result has been a whimsical and an endearing take on these incredible women. We hope you have enjoyed them!

Please consider honoring the Strong Women that have formed you and touched your lives today with a gift to Luther Manor Foundation. Your support will help replenish the impact of COVID-19 on our organization, ensuring our care for and commitment to generations of strong women.

Please like their stories on Facebook [here](#) as well!
