Luther Manor Continuing Precautions Related to COVID-19

March 12, 2021 4:53 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Campus Update

- We have the new direction from the CDC and Department of Health, as we are sure most of you have heard. We are working through the protocols for visits, small groups, room setups, hours, screenings, entrances, disinfection, PPE, tracing records and common area use for all program areas and River Oaks. All of these items are essential to making sure we are doing what we can to continue to keep our residents safe while COVID-19 is still a risk. We thank you for your patience and continued support!

Campus Happenings

- Thank you to everyone who joined us for our Strong Women of 2021 virtual event yesterday. Strong Women: May we know them. May we be them. May we care for them.

Here are a couple shots of the viewing parties that sponsors made possible for honorees past and present. All Strong Women stories can be read on our website at www.luthermanor.org/strongwomen.

What the photos do not show is the passion and joy our residents felt. A small taste of this came from Shari, one of our viewing party hostesses...

LUTHER MANOR

A Life Plan Community

“The program was so touching. While smiling, Joyce's eyes welled up with tears as Stephanie read her poem that was in honor of her husband. I had goosebumps!”

Please, once again, consider honoring the Strong Women that have formed you and touched your life with a gift to the Luther Manor Foundation. Your support will help replenish the impact of COVID-19 on our organization, ensuring our care for and commitment to generations of strong women.
