The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

One Year of COVID-19

- **Thank you** to everyone who made the best out of this horrible pandemic to help us keep our residents and staff as safe and as enriched as we could!

I've spent a lot of time recently thinking about and reflecting on everything that has happened over the last year since COVID-19 crashed into all of our lives. There were so many different perspectives I could have taken to discuss today and none of them seemed to be right. Either I thanked everyone who was involved or generous with us and their loved ones, or I talked about all the changes and pointed out all the crazy statistics of things that have been happening. Surely, I would have missed someone, something or I would have rambled on for pages and pages, which would have been all too easy!

Instead, this past week's readings for worship centered on God's Love which really drove me back to Luther Manor's mission of "Sharing God's Love by enriching the lives of older adults." That's it! What we have all been through over the past year and how we have been able to do what we have is all because of God's Love. Without it many would have quit, yet we did not. So yes, I would like to thank all of you for your support, for those not getting this update that helped us, to all of our staff for the mountains they've moved over this past year and for all of our residents that supported us and one another!

"God so loved the world that he gave us his only Son, so that everyone who believes in him might not perish but have eternal life."

Thank you!
