Luther Manor Continuing Precautions Related to COVID-19

March 2, 2021 4:40 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, Kim Starr a Literacy Tutor with the Wisconsin Reading Corps.** for the awesome cards! They will definitely help lift our residents' spirits and point out the bright side of things. Thank you and your organization for what you do for our residents!

Campus Update

- Very pleased to share that today's third vaccination clinic was another big success. Our Courtyard and Terrace residents, as well as others received their second vaccination and many others received their first. We continue working to finalize a partner to vaccinate new residents and employees beyond this last Pharmacy Partner Program COVID Vaccination clinic. We will keep all updated as this plan progresses.

See some great photos of our day below. In the group photo below, the V's are for Vaccinations!!!!
