

Luther Manor Continuing Precautions Related to COVID-19

March 3, 2021 4:31 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. All visitor protocols remain. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Please continue to connect with your loved ones as often as you can. Don't forget our Sharing God's Love team is here to help! Just email SharingGodsLove@LutherManor.org to get started.

Shout Outs of Thanks!

- **Thank you, Kathryn from Toledo, OH** for those wonderful sayings and cards. Here are my favorites... These are so perfect, because we can share the dog ones with dog lovers, etc. (off the top of my head... Sharon gets a dog and Gloria gets a cat one:~)!

Campus Update

- With the continued decline of the positivity rate in Milwaukee County the department of health has reduced the frequency of our COVID-19 staff testing to monthly beginning next week. This is great progress for our community and allows our staff and leaders more time to be out and about with our residents. Not to mention, fewer invasive nasal interactions! It's the little things!

Campus Happenings

May we be them. May we know them. May we care for them. The Strong Women of Luther Manor 2021.

As you know, we are honoring seven incredible residents and colleagues by sharing their stories via mail, on-line and at a celebratory virtual event on March 11th. I am proud to introduce you to our second Strong Woman of 2021:

Joyce Heinrich. Joyce is a resident of our Courtyards, having moved from our Terrace program late last year. Read more about Joyce [here](#) on Facebook and please like and/or share our post while you are at it. We're also on [LinkedIn](#) if that is your preferred social media platform.

Please consider joining the many others who have already RSVPd for the virtual celebration to honor our Strong Women on March 11th. Registration information can be found [here](#):

The Strong Women campaign benefits Luther Manor Foundation, helping to replenish a \$3.5 million operating impact from COVID-19.
