

Luther Manor Continuing Precautions Related to COVID-19

April 14, 2021 5:12 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. Visitor protocols are evolving at this time, yet restrictions remain in place so please read on and stay tuned for the very latest. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Don't forget our Sharing God's Love team is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started.

Shout out of thanks!

- **Thank you, to Locker's Florist in West Allis** for beautiful floral arrangements and "Hugs"! We were able to decorate many resident dining tables and simply share them with residents that needed a little extra cheer!

Campus Update

- Here are a couple of awesome pictures from our first round of Health Care Center in-person/in-apartment visits. Here are Wally Olson and his wife Arlene plus Shirley Lorenz and her son Brian. I think Shirley has one of the arrangements from Locker's!

- We had a blast with Pounce at [LutherManor](#) in honor of [#414forUWM](#). Thanks to our resident, Richard, who brought out his diplomas from the 1050s! and to the group of UWM School of Nursing Students doing their clinicals with us this semester, and to all the [UWM Alumni](#) and retired faculty among our staff and residents who showed their school spirit!
