Luther Manor Continuing Precautions Related to COVID-19

April 16, 2021 4:20 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. Visitor protocols are evolving at this time, yet restrictions remain in place so please read on and stay tuned for the very latest. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Don't forget our Sharing God's Love team is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started.

Shout out of thanks!

- **Thank you, to Teena W. and the Americorps Service team** for the cards and kind notes for our residents! As always they brought out many smiles.

Campus Update

- You may not have heard that Milwaukee County has had an increase in the COVID 19 positivity rate to just over 5%. With this, the Department of Health requires that we begin testing our staff on a weekly basis again. If the rate goes back down below 5%, we will maintain the weekly testing for two weeks before shifting to a monthly testing schedule according to their routine testing schedule. Should the rate climb above 10%, we will shift to a twice weekly schedule. We certainly hope that doesn't happen! As always, we will communicate if there are positive cases among our residents and staff.

Campus Update

- It's that time of year again when Laurie Karrels, our Terrace Move-In Coordinator, leans into her impulse to capture beauty through her camera. Laurie is a great photographer and our grounds crew is fantastic at nurturing these beauties! Spring has sprung at Luther Manor!
