

Luther Manor Continuing Precautions Related to COVID-19

April 19, 2021 5:03 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. Visitor protocols are evolving at this time, yet restrictions remain in place so please read on and stay tuned for the very latest. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Don't forget our Sharing God's Love team is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started.

Shout out of thanks!

- **Thank you, to all of the visitors** that have come to see their loved ones and followed the detailed guidelines! We know it's a lot and that wearing a mask while visiting is not comfortable, so we really appreciate your help in keeping everyone safe!

Campus Happenings

- Our Health Care Center residents were very excited to get back on the alley! Yes, the good old Wisconsin staple of bowling! Some had played regularly in bowling leagues and others played casually just for fun! Everyone that played last week, just had fun!
