Luther Manor Continuing Precautions Related to COVID-19

April 26, 2021 5:10 pm

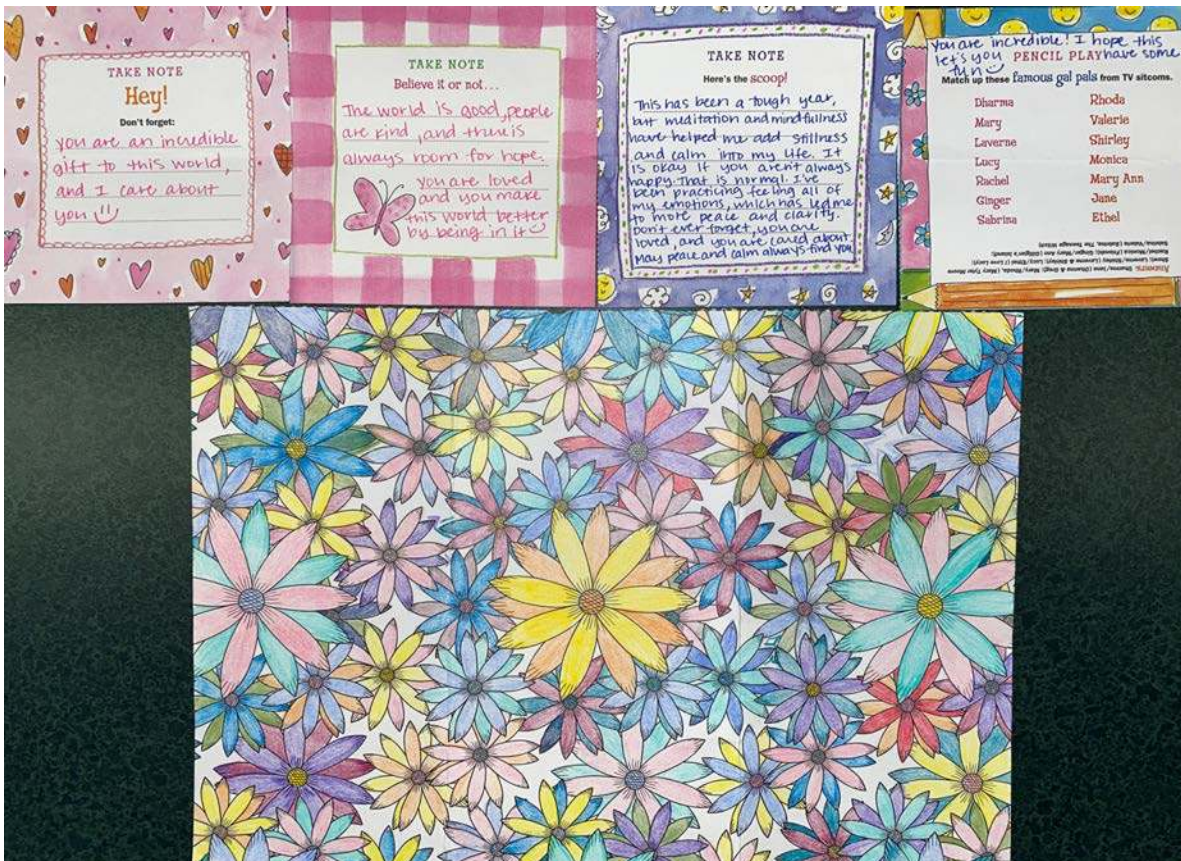

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Visitor protocols continue to evolve, yet restrictions remain in place, so please read on and stay tuned for the very latest. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started.

Shout out of thanks!

- Thank you, **Alexandra Moxley from Chicago** for the awesome picture and fun cards for us to share with our residents!

Campus Update

- We are happy to announce that we are adding Saturday and Sunday in person/in apartment visits for our Health Care Center residents starting this coming Saturday, May 1st. At this time visiting hours for Health Care Center residents remain unchanged and can be held for one hour, seven days a week from 9:30 am to 4:15 pm. These same hours will apply for Mother's Day. We ask that you continue to schedule your visits with our **Health Care Center residents** with Kathy Jastromski via email at kjastromski@luthermanor.org.

The Terrace Independent Living is also adding Saturdays and Sundays effective Saturday, May 8th. Starting then, visiting hours will be from 9:30 am-4:30 pm seven days a week. The same visiting hours will apply for Mother's Day. As you know no appointments are necessary for the Terrace.

We continue to look to expand these times and will keep everyone updated as we are able to enhance them.

- We are finalizing the Courtyard visiting hours changes and will provide details for Mother's Day and any other changes soon.
