

Luther Manor Continuing Precautions Related to COVID-19

April 9, 2021 5:02 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents. Visitor protocols are evolving at this time, yet restrictions remain in place. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Don't forget our Sharing God's Love team is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started.

Shout out of thanks!

- **Thank you, once again to Emma Lammert from Saxonburg, PA** for your latest round of cards and goodwill for our residents! I completely missed that April 3rd was National Peanut Butter and Jelly day, but I am so glad to know that today is National Unicorn's Day! Thanks to you, we'll all be ready for next year!

- **Thank you, to the Marilyn Fredericks family** for the water and Easter Baskets! With the hot weather so early in spring it was a welcome reprieve!

Campus Update

- We were able to get Walgreens to commit to returning for a fourth vaccination clinic to do an additional round of second Moderna vaccinations. This final Walgreens clinic will be held on Wednesday, April 14th. We will be scheduling this for all of those residents and staff members that had their first Moderna vaccination at least 28 days prior. We are also finalizing the process for getting

LUTHER MANOR

A Life Plan Community

new residents and new staff members vaccinated, that have been hired since our initial vaccination clinics. More details will be coming out as we finalize these plans.

Campus Happenings

- Thank you once again for everyone's help in making this first round of scheduled visits so positive all around! We appreciate everyone keeping their masks on and also your partnership in helping us keep everyone as safe as we can. Now for the nice weather to come back, so our beautiful grounds can be enjoyed more!
