## Luther Manor Continuing Precautions Related to COVID-19

April 30, 2021 4:04 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Visitor protocols continue to evolve, yet restrictions remain in place, so please read on and stay tuned for the very latest. If you have any questions please let us know.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started.

### Campus Update

- Reminder that with Mother's Day coming we have dedicated visiting hours for all areas of Luther Manor. We strive to ensure all common areas, hallways and high traffic areas get cleaned and disinfected immediately after visiting hours end, which is why we ask that all visitors to honor these hours.

With that said Mother's Day visiting hours mirror our regular visiting hours for each area as follows:

- Visits for **Health Care Center** residents remain unchanged and can be scheduled for between 9:30 am to 4:15 pm. We ask that you continue to schedule your visits by emailing Kathy Jastromski at [kjastromski@luthermanor.org](mailto:kjastromski@luthermanor.org).
- The **Terrace Independent Living** Mother's Day visiting hours remain from 9:30 am - 4:30 pm, the same as our current visiting times. As you know no appointments are necessary for the Terrace.
- **Courtyards and River Oaks - Assisted Living programs** visits are from 8:15 am - 4:30 pm. Please schedule your visit for Courtyard Residents with Shari Garza by emailing her at [sgarza@luthermanor.org](mailto:sgarza@luthermanor.org). Please schedule your visits with River Oaks residents, with Kenneth Stelpflug by emailing him at [kstelpflug@luthermanor.org](mailto:kstelpflug@luthermanor.org).
- If you plan to drop off any flowers, gifts or treats for Mother's Day we ask that you consider dropping them off earlier in the week to help us spread out the deliveries. Although we are scheduling extra staff to help make sure everyone experiences a great Mother's Day weekend, I am sure you can imagine hundreds of deliveries all compressed in a couple of days can make this a challenge. Because of this we also ask for your patience with delivery times.
