

## Luther Manor Continuing Precautions Related to COVID-19

May 10, 2021 5:01 pm

The safety of our residents and staff remains our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Visitor protocols and regulations continue to evolve, so please read on and stay tuned for the very latest.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started. If you have any questions please let us know.

### Campus Update - Mind, Body and Soul

- We continue to look for ways to keep enriching our residents' body, mind and soul! Here are some fun activities that we did to keep the hands moving and to enrich the mind! As a side benefit, you can see there are some gorgeous pieces that came out of it!

- Our in-house TV channel (Luther Manor TV) continues enriching the body at our residents own pace. Here is our TV channel where residents can follow along with Stephanie, our Terrace Independent Living Life Enrichment Coordinator doing coordinated exercises!

- As we shared previously, in-person worship services resumed last month. With continued good news on the COVID-19 front, we have increased the allowable number of residents that can attend. Here is a photo of a recent worship service attended by our Courtyards Assisted Living Residents, enriching the soul!
