## Luther Manor Continuing Precautions Related to COVID-19

**May 17, 2021 4:53 pm**

The safety of our residents and staff remains our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Visitor protocols and regulations continue to evolve, so please read on and stay tuned for the very latest.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started. If you have any questions please let us know.

### Campus Update

- This morning we started retesting all Courtyard residents and staff to help us rule out additional cases of COVID-19. Any staff not working today, will be tested tomorrow. Results generally come in within 24-48 hours, we will keep you updated as test results come in. At this time, none of our residents or staff are showing signs or symptoms of COVID.

### Campus Happenings

- We want to thank all of the families of our residents for your patience and understanding, as we continue to navigate through changes from the CDC and Department of Health, as it relates to COVID-19 and hopefully the continued lessening of restrictions and its impact. We remain ready to serve, as we continue to enrich our residents, all while keeping them as safe as we can.
