## Luther Manor Continuing Precautions Related to COVID-19

May 3, 2021 5:19 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living residents. Visitor protocols and regulations continue to evolve, so please read on and stay tuned for the very latest.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started. If you have any questions please let us know.

### Campus Update

- We continue to watch updates from the Department of Health and CDC and are just now starting to see some lessening of restrictions for those individuals that are vaccinated. More information to come I am sure, yet here is a start of some pending changes:
  - Staff members that are fully vaccinated will no longer be required to be routinely tested for COVID-19. All other staff members will be tested per the County frequency rate, which currently requires weekly testing.
  - We are finalizing details on our partnership for ongoing COVID-19 vaccinations for new residents and staff to receive the Moderna vaccine. More details will be forthcoming.
  - We are increasing our Courtyard dining room resident count to 50% of our residents. We will continue to maintain proper social distancing and hand hygiene, yet this will allow for our residents to have more interactions with their friends and neighbors.
- **We have adjusted our resident visiting times for our Courtyards and River Oaks - Assisted Living programs.** Visits are now from 9 am-4 pm, which allows the residents to enjoy their breakfast. Please continue to schedule your visit for Courtyard Residents with Shari Garza by emailing her at [sgarza@luthermanor.org](mailto:sgarza@luthermanor.org).
- Kenneth Stelpflug has transferred from **River Oaks** to our main Wauwatosa campus, so to schedule your visits with River Oaks residents, please email our **River Oaks Nurse Manager, Lorie Maechtle** at [hmaechtle@luthermanor.org](mailto:hmaechtle@luthermanor.org).
